Dear (A/S/L),

RE: Security Concerns 'ARCANACON'

1. (TS/NOFORN) This communication is to acclimatise you to current security conditions at ARCANACON. It has come to our attention that certain rumours have infiltrated popular conspiracy theory.
2. (TS/NOFORN) Our official position concerning the events occurring JANUARY 20<sup>th</sup> – 23<sup>rd</sup> 2005 is to be as follows. There is no ARCANASUR, no ARCANACARD, and certainly no JOHN DEAGUE. Any visual confirmation as to the existence of JOHN DEAGUE can be easily be explained as 'SWAMP GAS'.
3. (TS/NOFORN) If you are asked or confronted as to whether you are affiliated with the ARCANACON Convention, it is advised that you are to either refuse comment or use a distraction to conceal your expeditious retreat. Should the query or pursuant persist, report the incident to your Security Officer.
4. (TS/NOFORN) You may be asked to account for your whereabouts on JANUARY 20<sup>th</sup> – 23<sup>rd</sup> 2005. You are no obligation to render this information except in a Court of Inquiry or after-convention hoe-down, however should questions as to your absence persist, you may supply that you are attending a 'GAMES CONVENTION' to 'ROLE-PLAY, WARGAME and/or ANECDOTE'.
5. (TS/NOFORN) 'COLLINGWOOD COLLEGE' is a high security venue. You are, at all times while on-site, to wear appropriate security markings. Pants are to be worn through all security checkpoints. It is your responsibility to report any violations. Should you lose your security badge, you are to immediately report to the loss to your Security Officer.
6. (TS/NOFORN) The following information is TOP SECRET. ~~Henry Kissinger watches you when you pee. Vegans drink blood to survive. Oprah is made from beef off-cuts. Dinosaurs are extinct because you touch yourself at night. Ben Affleck and Alexander Downer are soo a couple. Canadian Bacon contains Canadians. Peter Parker is Spiderman.~~
7. (S/NOFORN) Document control is in effect. Contact Security Officer PETER STRONG on the secure blue phones (03) 9314 2437 or at [orgs@arcanacon.org](mailto:orgs@arcanacon.org). Further security information is available at <http://www.arcanacon.org>.
